Attn: Chief, Video Division, Media Bureau

COMMENTS

Red River Broadcast Co., LLC ("Red River"), licensee of Station KJRR-TV, NTSC Channel 7, Jamestown, North Dakota, by its attorneys, hereby submits its comments in response to the *Further Notice of Proposed Rule Making* ("*Further Notice*") issued on May 7, 2004 in this proceeding.¹ The *Further Notice* proposes to adopt Red River's request to amend the Digital Television ("DTV") Table of Allotments, 47 C.F.R. § 73.622(b), by substituting DTV Channel 18 for KJRR's presently assigned DTV Channel 14 at Jamestown.

Red River urges the Commission to adopt the proposals contained in the *Further Notice*. In compliance with Paragraph 2 of the Appendix to the *Further Notice*, Red River hereby incorporates by reference its former pleadings in this proceeding. Red River also restates its present intention to apply for DTV Channel 18 if that channel is allotted and, if authorized, to build a station promptly.

¹ *Amendment of Section 73.622(b), Table of Allotments, Digital Television Broadcast Stations (Jamestown, North Dakota)*, Further Notice of Proposed Rule Making, MM Docket No. 00-127, DA 04-1202 (rel. May 7, 2004).

Finally, Red River submits that the allotment of channel 18 at Jamestown will facilitate the implementation of DTV service to the community of Jamestown, and that the public interest will be served by the adoption of the proposed rule change.

For the reasons set forth above and in its former pleadings, Red River respectfully requests that the Commission adopt the proposals contained in the *Further Notice*.

Respectfully submitted,

RED RIVER BROADCAST CO., LLC
